PROVISIONS-There has been very little movement in the position of the provision market since our last. The dullness of North Carolina | gentlemen of as high character for veracity bacon shows no improved feeling, and in fact may be quoted a trifle off in price. The receipts for the week reach 22,080 bushels against 29,385 bushels for last week, showing a decrease of 7,805 bushels, and from all sources are as follows: Per Schr. J. S. Self-neglect lays the foundation of much bodily suffering. As a rule men are more so licitous to repair and preserve their houses, stock in trade and other perishable property, than to repair and preserve themselves.
